## Education & Training Recommended Career Pathways

To earn an endorsement, an MISD student must complete a coherent sequence for 4 or more credits that consist of 2 courses in the same program of study including at least 1 advanced CTE course

# Principles of Education & Training

## (Home Campus Only)

Prerequisite: None

Course: 1536A/B

Credits: 1

Length: 36 weeks

Placement: 9-12

## Course Description

The Principles of Education and Training course is designed to introduce learners to the various careers available within the education and training career cluster. Students use self-knowledge and educational and career information to analyze various careers within the education and training career cluster. Students will also gain an understanding of the basic knowledge and skills essential to careers within the education and training career cluster. Students will develop a graduation plan that leads to a specific career choice in the student's interest area.

## Student Activities

The Education and Training career cluster equips students with:

- core academic skills
- employability skills
- job specific technical skills

## Organizations/After School/Competition

# Human Growth & Development

Prerequisite: Principles of Education

Course: 1537CT

Credits: 1

Length: 18 weeks

Placement: 10-12

## Course Description

In this course, students will study an examination of human development across the lifespan with an emphasis on research, theoretical perspectives, and common physical, cognitive, emotional and social development milestones.

## Student Activities

The Education and Training career cluster equips students with:

- core academic skills
- employability skills
- job specific technical skills
- research skills
- real-world application

## Certification

Early Childhood Education

Student Cost: \$17.50 BBIA Cost: \$17.50

If seeking certification, curriculum cannot be modified.

## Organizations/After School/Competition

# Instructional Practice (Formerly Ready, Set, Teach)

**Prerequisite:** Human Growth & Development

**Course:** 1531CA/1531CB **Credits:** 2 **Length:** 36 weeks **Placement:** 11-12

## Course Description

This program provides an internship experience for students considering a career in education. Students may be placed in classrooms grades Pre-K through Grade 12. Internships will take place at schools within the MISD district and will be assigned based on the student's interest and career goals. Since students will be functioning directly in a teaching environment, it is imperative to exhibit a high academic standard and professional behavior. Students must provide their own transportation and proof of insurance. No exceptions. Students will meet at Ben Barber.

## Student Activities

Students participate in activities related to their internship site such as class programs, Open House and after school activities. This includes attending field trips with the class when possible. Possible destinations could be the zoo, museums, and performances at the Center.

## Organizations/After School/Competition

## Certification

Education Fundamentals

Student Cost: \$17.50 BBIA Cost: \$17.50

If seeking certification, curriculum cannot be modified.

## Additional Considerations

Students must provide their own transportation

# Practicum in Education & Training

**Prerequisite:** Instructional Practices

**Course:** 1535CA/1535CB    **Credits:** 2    **Length:** 36 weeks    **Placement:** 11-12

## Course Description

Practicum in Education and Training is a field-based internship that provides students background knowledge of child and adolescent development principles as well as principles of effective teaching and training practices. Students in the course work under the joint direction and supervision of both a teacher with knowledge of early childhood education and exemplary educators in direct instructional roles with elementary, middle school, and high school-aged students. Students learn to plan and direct individualized instruction and group activities, prepare instructional materials, assist with record keeping, make physical arrangements, and complete other responsibilities of classroom teachers, trainers, paraprofessionals, or other educational personnel. Students must provide their own transportation and proof of insurance. No exceptions. Students will meet at Ben Barber.

## Student Activities

Students participate in activities related to their internship site such as class programs, Open House and after school activities. This includes attending field trips with the class when possible. Possible destinations could be the zoo, museums, and performances at the Center.

## Additional Considerations

Students must provide their own transportation.

## Organizations/After School/Competition
