Course Description

Do you really think money grows on trees?

Have you ever wondered:

- How banks make money?
- The difference between a bank and a credit union?
- What it takes to qualify for a car loan?

If so, this is the class for you! You can learn about the businesses that help us with our money in our community.

Topics of study include: origins of money and banking, types of financial services, investing, and services provided by investment companies.
