

Floral Design

Prerequisite: None

Course: 111OCT

Credits: 1

Length: 18 weeks

Placement: 9-12

Course Description

Floral Design is a fun, hands-on course where students create beautiful, artistic designs using flowers. Students will learn the elements and principles of design and the basics of business involved in running a flower shop and other floral-related industries.

Students will receive a fine arts credit for taking this class.

Student Activities

Activities for students enrolled in this course will include hands-on floral designing using silk and fresh flowers in multiple arrangements, history of floral design, elements and principles of design, plant anatomy, wedding planning and business management strategies of the floral industry.

Competitions

Students will have the opportunity to join and participate in events and activities related to floral design and agriculture through the FFA Organization.

Additional Considerations

AG classes travel to Ron Whitson AG Center in Rendon. Students handle plants and use sharp objects.
