

Practicum in Education & Training

Prerequisite: Instructional Practices

Course: 1535CA/1535CB **Credits:** 2 **Length:** 36 weeks **Placement:** 11-12

Course Description

Practicum in Education and Training is a field-based internship that provides students background knowledge of child and adolescent development principles as well as principles of effective teaching and training practices. Students in the course work under the joint direction and supervision of both a teacher with knowledge of early childhood education and exemplary educators in direct instructional roles with elementary, middle school, and high school-aged students. Students learn to plan and direct individualized instruction and group activities, prepare instructional materials, assist with record keeping, make physical arrangements, and complete other responsibilities of classroom teachers, trainers, paraprofessionals, or other educational personnel. Students must provide their own transportation and proof of insurance. No exceptions. Students will meet at Ben Barber.

Student Activities

Students participate in activities related to their internship site such as class programs, Open House and after school activities. This includes attending field trips with the class when possible. Possible destinations could be the zoo, museums, and performances at the Center.

Additional Considerations

Students must provide their own transportation.
