

Digital Audio Technology II

Prerequisite: Digital Audio Technology I

Course: 1885CT

Credits: 1

Length: 18 weeks

Placement: 9-12

Course Description

Taking what was learned during Digital Audio Technology I, you will now be an ‘employee’ of 99.9 The Wild. You will interview for positions and be ‘hired’ based on skills and experience. Students will run the entire radio station, from scheduling shows, running the website, producing their own shows, talking with local businesses to get commercials and the overall flow of the station. Students will also DJ elementary and middle school dances as well as live remote broadcasts at local events.
