

Accounting II

Prerequisite: Accounting I

Course: 1272CT

Credits: 1

Length: 18 weeks

Placement: 11-12

Course Description

Are you interested in a career in Accounting?

Students continue the investigation of the field of accounting, including how it is impacted by industry standards as well as economic, financial, technological, international, social, legal and ethical factors. Students reflect on this knowledge as they engage in various managerial and cost accounting activities. Students formulate and interpret financial information for use in management decision-making

Topics of study include: accounting cycle, review of debits and credits, managerial accounting, financial statements, and financial analysis.

Students will receive a math credit for taking this class.
